1 ACTIVITY

#5J5IA

In this resource you will find 5 activities to do with your students.

- Each activity is composed of a scenario, an activity, questions to ask and a "comprehension" part.

- The Twitter feed #5J5IA allows you to exchange and share practices around the following booklet and a survey allows you to submit any comments (<https://enquetes.univ-cotedazur.fr/index.php/812275?>).

1 DÉBAT

We invite you to debate around this quote,

«Technology will have evolved so much that it will be extremely difficult for people to watch or consume anything without it having been, in some way, thought out for them.» - Eric SCHMIDT, former Google CEO
